

Rietvlei Heights Country Estate - LATEST NEWS - May 2021

Wow this has certainly been an event filled couple of months.

For your information:

1. Recycling will now be every Monday. Please place your bag/bags on the curb as they will not be given access to the complexes.
2. For all queries, complaints and information please send an email to manager@rietvleiheights.co.za. However, where possible, please talk to each other and try to resolve any concerns directly i.e., barking dogs, overgrown shrubs and trees, loud music etc.
3. Choose kindness.

The pool has been refurbished and is looking Absolutely fantastic. Smities Pool did a brilliant job.

The gardens around the clubhouse and the fountain are looking beautiful (Winter ☹️ cometh)

CCTV installation

We have been trenching ALL OVER the place for the security camera system. Thank you, to all residents directly impacted, for your patience, it is greatly appreciated. 8 Cameras are up and operational and a further 8 are going up very shortly.

12th Street

Reality 😞. 12th street is a rather desolate looking street & is a street we drive down daily as it is almost an extension of our driveway.

The dream. My tree drive has not been as much of a success as I had hoped. I am appealing to all residents to purchase 1 tree @ a cost of R350 per tree.

The Eco Park. Residents have come together and formed an Action Group. This group will advise me as to how the residents would like the park maintained & improved. Thank you to all the volunteers.

The camera at the corner of the Eco Park. I am absolutely thrilled that this camera covers most of the park and clearly show which fur babies (big and small) tear around the park off the leash. Please ensure your dogs are always on a leash and collect and parcels your dog deposits.

The Facebook Group. The Facebook page was created for all residents to share information. This page is a Gold Mine of help and information. If you are not a member and would like to join the group, please send me a friend request. This is not a public forum for mud sling and excessive advertising but rather an attempt to bring residents together and to share notices that impact the Estate as a whole i.e. load shedding

Only resident have access to this group.

An Easter Colouring Competition, Sponsored By Steven & Leapfrog.
Congratulations to the winners and thank you Leapfrog for the
“very sweet” prizes. If you would like to sponsor an event, let's
talk 😊

Lastly: I would like to extend a huge thank you to Reta Massyn for
donating the trampoline for the use of the little ones. It is
wonderful to see the children jumping, dashing after the ball and
riding their bikes all over the place. They are a truly lovely group
of little residents and I thoroughly enjoy it when they pop in for a
chat.
